

## **WALK 6. UP THE FIELDS AND DOWN TO FARLEIGH GREEN.**

Begin at top of Uncombe Close past No 43. Over style and up on the right hand side path. Wild garlic starting to flower. Through the gate and carry on straight up past some beautiful horse chestnuts trees. The field to your right was a golf course (gone by November 1942). Go through the metal gate at the top left hand corner of the field. Cross Backwell Hill Road and go through the metal gate opposite. Turn left down the bridle path to the gate at the bottom. Go through gate (replace the rope) and go down Backwell Hill Road until the bridle path on the left. Go down the path and turn left on the road and left again at (the beautiful) Green (by Backwell Village Club) to get back to Uncombe Close.

About two and a half miles.
